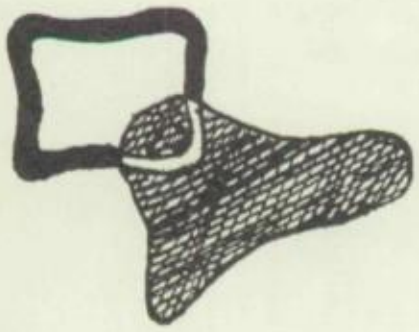
1957...

'Commander'



I am leadership. I am present in all students, but some do not express me as well as others. Those who use me are worthy of leadership. They are respected by others and therefore are capable of leading others.

My work shows best in Lincoln High through the classes, clubs, and sports. Since the success of any organization depends upon the inspiration afforded by its leaders, these are the people who are the most outstanding examples of me.

Come with me through the halls of Lincoln High School by means of this Nineteen Hundred and Fifty-Seven Commander and I will show you the many students of which I have become a part.

Dorotha Gray.....Editor

LINCOLN HIGH SCHOOL, VAN DYKE, MICHIGAN

DEDICATED TO ONE

who is a great leader .....
who became ill while helping
to develop leaders on the football
field.....

who encouraged and trained
leaders in character and good
sportsmanship while coaching the
track team .....

who enthusiastically supported
any school activity .....
who is a friend to all, respect-
ed and well-liked by all the students,
faculty, and parents.

The 1956 Football Squad finished with a creditable four win, four loss and one tie record. The highlight of the season was a 14-13 victor over arch-rival Center Line. The win avenged last year's defeat and returned the "Little Brown Jug" to the Abes for another year. The defending champions of the Inter-Lakes League slipped to third place with a two win, two loss and one tie league mark. The outstanding league game saw the Lincoln Squad wreck the Southfield Homecoming with a crushing 26-7 victory. The non-league loss to Hazel Park, 13-10, will long be remembered as a hard fought game with the emphasis on the fought. The game ended in a free for all and the long series between the schools seems to have reached an abrupt ending.

Co-Captains Tom Thorpe and Orba Underwood were the spark that lit the winning fires in the Abe Camp. Captains elect for 1957, Charlie Day and Bob Martin anchored a stout line for Lincoln, Seniors Roy Abbott, Richard Kern, Richard Stafford, Paul Wright, John Kontos, John Polazzi and Fred Martz. All contributed to the winning efforts and will be sorely missed next season. Coaches Saxton, McMillan, and Shankie worked hard throughout the season and are looking forward to the 1957 season with a good deal of optimism. The football squad was heartbroken when Mr. McMillan was taken ill and forced to temporarily retire to recuperate.

Varsity Club

The Varsity Club at Lincoln is composed of boys who have shown signs of leadership in sports. Every member of this club has earned a varsity letter in at least one sport. The club was organized to promote a better life for the boys participating in sports. Each semester an award is presented to the outstanding member of the club. The basis of this award is scholarship, citizenship, and athletic participation. A scholarship is also awarded by the Varsity Club each year.

Girls' Athletic Association

When athletics are mentioned most people think of boys' sports such as: football, basketball and track. In our school we have a program of athletic participation called Girls Athletic Association. This program includes volley ball, bowling, basketball, badminton and baseball. Points may be obtained by participating in these activities. When a girl has earned 250 points she is eligible for a school letter. Leading point earners can have their name placed on a plaque. G.A.A. doesn't plan to turn out any professional athletes but the cheerfulness and *sportsmanship* involved in their activities makes these girls leaders in our school.

A SPORT FOR EVERY GIRL AND EVERY GIRL IN A SPORT.

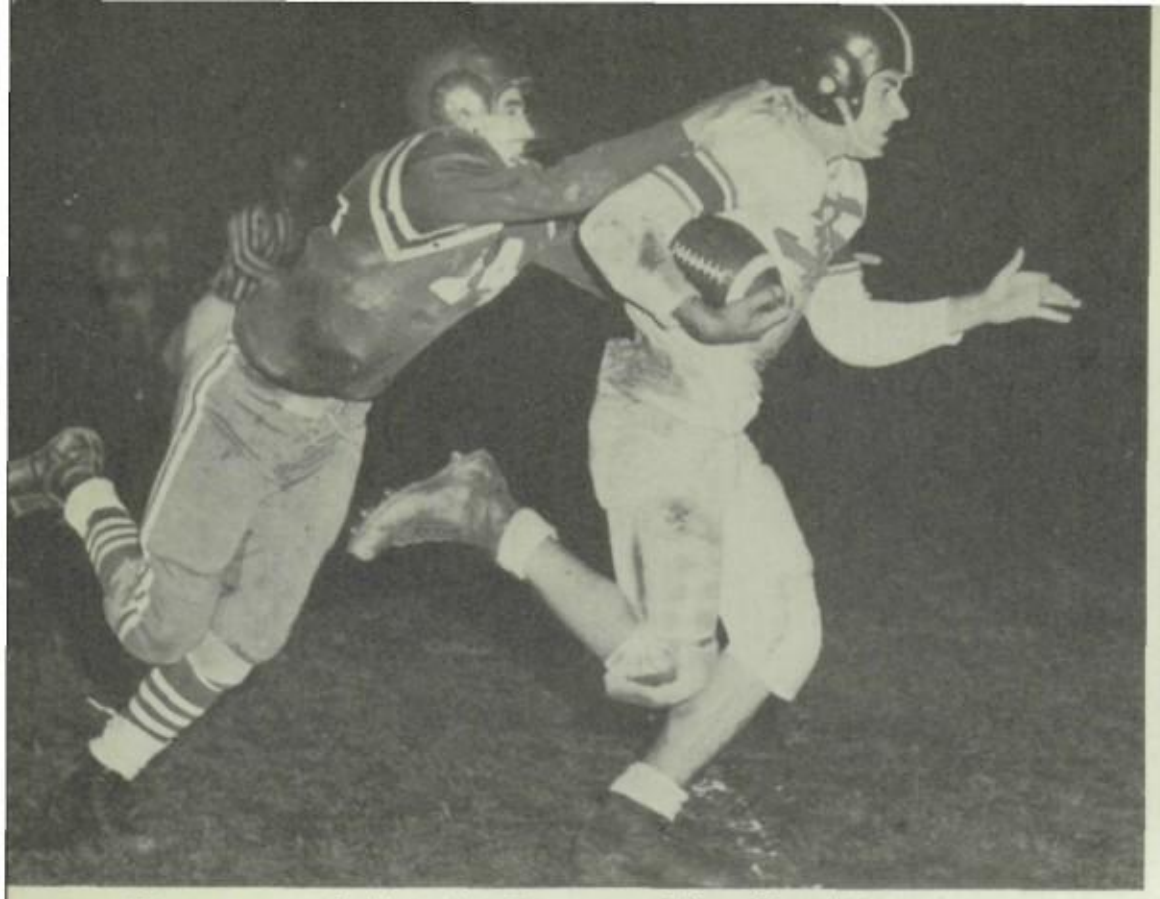
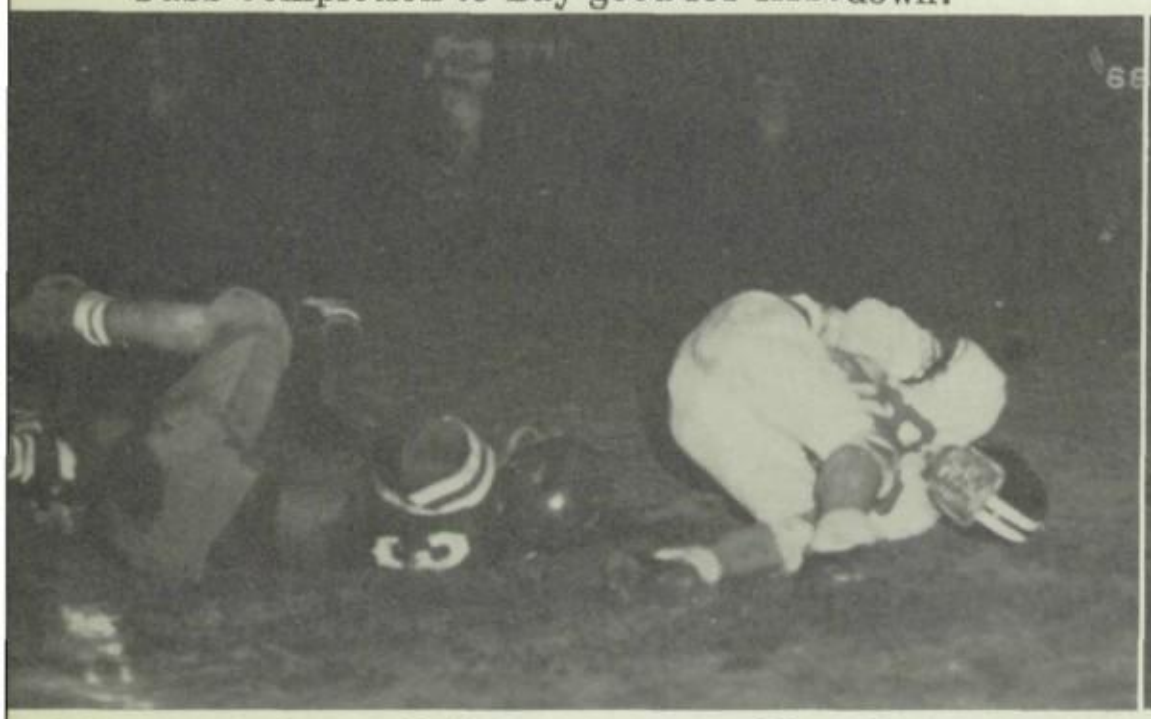
The 1956 Homecoming Parade was highlighted by the theme "famous song titles." All classes and clubs participating with the Student Council found the theme to their liking. The Latin Club walked off with a first place trophy. The Queen and her court rode by in shiny convertibles amid the cheers of spectators. The Lincoln Senior High Band and the Junior High Band rounded out the musical portion of the parade.



Pass completion to Day good for first down.

Thorpe stops Berkley player.



Underwood plunges over Berkley player for first down.

Abbott breaks up pass play.

Before a capacity crowd the Abes battled the Berkley Bears to a scoreless tie. Lincoln held Berkley in check through most of the game but could not muster an offensive thrust until late in the game. The fourth quarter saw Lincoln drive to the Berkley six yard line only to have three passes fall incomplete. Berkley took over on downs and the final gun sounded with the teams deadlocked 0-0.

Choir

America is a singing nation, likewise Lincoln is a singing school. Since 1941 Mr. Zapf has been training the voices of Lincoln's choir. The students' voices have harmonized for the Christmas and Spring Musicals, Baccalaureate Services, Graduations and the County and State Vocal Festivals throughout the years. We are proud that our choir received a (1) rating at the County Festival this year.

STUDENT CREDIT

Working your way through school can be beneficial. Here at Lincoln we are fortunate to have a Student Credit Association which handles all class activity finances. Students are afforded an opportunity to earn commissions by selling cards, working at school activities, soliciting ads, working in the school supply store and other various tasks. With the money earned, the students can help defray the cost of a high school student's senior year. The duties of a student credit representative are: purchasing refreshments for dances, sales of tickets to all school affairs and ordering spring and Christmas cards and school supplies. We feel that our Student Credit Association is vital to the smooth operation of our school.

Debate team leave for Farmington.

Debate

The debate topic for the 1956-57 season was: Resolved that the Federal Government should sustain the prices of major agricultural products at not less than 90% of parity. The team got off to a slow start in the Inter-Lakes League and consequently wound up with a two won six lost record. However, they fared much better in the Michigan High School Forensic League. The affirmative and negative team took decisions over Roseville High School and Royal Oak High School. The negative team also won over Cass Tech to give the team a five won three lost record and qualifying for the elimination tournament. This tournament was held in Durand, Michigan. Martha Castleberry and Joan Pritchard represented the Lincoln squad against a team from Bad Axe, Michigan. The judges cast a two - one decision for Bad Axe thus eliminating Lincoln. The Detroit Free Press presented the school with a plaque for Excellence in Debating and each debater received a Certificate of Merit.

Varsity Basketball

The 1956 basketball season started out on a winning note with a victory over Mt. Clemens, 60-59. However, as the season progressed this proved to be an ill omen to the Abes. The final record was two wins and thirteen losses. Highlighting a dismal season was the consistent high scoring of Bill Rzeszut and Tom Thorpe. Tom unleashed 30 points against Waterford. While Bill connected for 27 points against Southfield for his high scoring night. George Hatch and George Mack, two promising sophomores, contributed to the team and will be counted on heavily in the future. John Richert along with Thorpe, Rzeszut and Lents will be sorely missed next season. Coach Ward is looking forward to a better record next year.

Junior Varsity Basketball

The Junior Varsity basketball team doubled the varsity's two win record with four triumphs. Sophomore Henry Thompson earned a reputation as an outstanding prospect by leading the J.V.'s. Henry tallied 200 points for the season, a thirteen plus average. Norman Douglas, Billy Chapman and Jerry Medley proved capable guards and should be up for promotion to the senior squad. Coach Jax expressed hope for Bill Hackell and Lee Burns to be of some help next year.

"She has so much poise and confidence—I'll bet she works for the telephone company. Those girls are so attractive and have such friendly, pleasant manners."

They're talking about Lucy, who started working for Michigan Bell right out of high school. She was trained with other beginners by friendly, understanding supervisors. Today she's proud of her work; enjoys a fine salary, regular wage increases, and many new friends.

Lucy was delighted from the very first by the clean, pleasant surroundings, by the regularly scheduled midmorning and midafternoon "breaks" for relaxing in the company's comfortable lounge rooms, and by the opportunities for advancement.

Isn't that the kind of job *you* want? Then why not get in touch with us now? We'll be happy to tell you more about the variety of interesting jobs from which you can choose after graduation.

.....Leadership has played a big part in our school lives and now as we leave to go in our different directions, we have only the memories of our years at Lincoln High School.

.....This is where our leadership began....but this is not where it will end.

Martha,
A real swell kid, with a great personality. Always stay as nice as you are and you will be one of the most popular kids in school. Lots of luck in anything you do and especially with Civics.

Your pal,
